Here it is - *ECW: Anarchy Rulz*, featuring the most extreme wrestlers to set foot inside the ring! Make sense of the chaos and battle your way to the top of the ECW ladder!

This 96-page handbook gives you the moves for all your favorite ECW wrestlers! Check out the brand new control system for the Sony PlayStation and Sega Dreamcast!

All the moves for over 30 ECW wrestlers! From Finishing Moves and Trademark Moves, to Tie-up Moves and Poses, each and every move is highlighted with individual damage levels.

We've also included the move sets for the 10 hidden wrestlers, including the main anarchist himself, Paul Heyman!
